**To Whom it May Concern:**

We have received a series of reports about harassing phone calls regarding the Heather Heyer case, which is ongoing in the City of Charlottesville. I'm sure you can appreciate the seriousness of this matter, as these calls are extremely distressing.

The calls are all originating from the spoofed caller ID number 434-924-0420; I have been told that they seem to be a recorded message.

Some examples:

Caller	Callee	Start Timestamp
4349240420	434982 [REDACTED]	2018-12-04 10:52:51
	434924 [REDACTED]	2018-12-04 10:52:32

	434924 [REDACTED]	2018-12-04 10:46:08

I've attached a full register of the calls; all 169 calls appear to have all taken place from 09:13:00 to 10:52:00.

Any information or assistance would be greatly appreciated.
